7 WHEREAS, the Permit includes the following requirements for all permittees,  
8 including PCEC: 1) develop and implement a storm water pollution prevention plan  
9 (“SWPPP”); 2) control pollutant discharges using best available technology  
10 economically achievable (“BAT”) and best conventional pollutant control technology  
11 (“BCT”) to prevent or reduce the discharge of pollutants; 3) implement BAT and BCT  
12 through the development and application of Best Management Practices (“BMPs”),  
13 which must be included and updated in the SWPPP; and 4) when necessary,  
14 implement additional BMPs to prevent or reduce any pollutants that are causing or  
15 contributing to any exceedance of water quality standards;

23 to file suit (“60-Day Notice”) under Sections 1365(a)(1) and 1365(b)(1)(A) of the  
24 Clean Water Act, alleging violations of the Act and the Permit at the Facility;

3 WHEREAS, EDC contends in its 60-Day Notice and Complaint that, among  
4 other things, PCEC has repeatedly discharged polluted storm water in violation of the  
5 Permit and the Clean Water Act;

6 WHEREAS, PCEC denies all allegations set forth in the 60-Day Notice and  
7 Complaint;

8 WHEREAS, the Parties, through their authorized representatives and without  
9 either adjudication of EDC's claims or any admission by PCEC of any alleged  
10 violation or other wrongdoing, believe it is in their mutual interest and choose to  
11 resolve in full EDC's allegations in the 60-Day Notice and Complaint through  
12 settlement and avoid the cost and uncertainties of further litigation;

13 NOW THEREFORE IT IS HEREBY STIPULATED BETWEEN THE  
14 PARTIES, AND ORDERED AND DECREED BY THE COURT, AS FOLLOWS:

15 **I. COMMITMENTS OF PCEC**

16 1. PCEC agrees to the following terms and conditions in full and complete  
17 satisfaction of the claims covered by this Consent Decree. PCEC has implemented or  
18 shall implement structural and non-structural BMPs, as described more fully below.

19 2. **Road Network Improvements:** No later than December 31, 2019,  
20 PCEC shall implement Best Management Practices ("BMPs"), as agreed upon by the  
21 Parties and listed below. PCEC shall continue roadway maintenance as necessary to  
22 maintain full compliance with the General Permit.

23 The BMP locations are identified by the GPS coordinate locations at the

Within fourteen (14) days of each of the above road network improvements, PCEC shall e-mail EDC digital photographs confirming said improvements.

3. PCEC has regraded the mouth of the well pad located north of the Squires 34 Sampling Location 9 to ensure no storm water that falls at the mouth runs off to the road. Photos of this improvement are attached hereto as Exhibit A.

4. PCEC shall include the list of pads, Pods, and road stretches and the illustrated schematics included in the 2018 PCEC Berm Evaluation (i.e., pages 1 through 243 of the Evaluation) as an attachment to the SWPPP.

**5. Storm Water Monitoring.**

a. To verify the performance of the BMPs installed in the area, PCEC shall add an additional sampling location at the base of the truck loading area located proximate to the Pinal LACT Unit, just above the Pinal Tank Facilities sampling location (shown in the figure attached hereto as Exhibit B).

1           b.     PCEC shall clarify in its Monitoring Implementation Plan that it  
2 will collect, analyze, and subsequently report on the State Board's Storm Water  
3 Multiple Application and Report Tracking System ("SMARTS") for any sample(s) of  
4 any storm water discharge during a qualifying storm event from the first well pad or  
5 Pod to discharge in each drainage area at the Facility, even if that well pad or Pod is  
6 not a defined discharge location in the SWPPP. Sampling reports shall indicate the  
7 assigned numeric identifier for each pad or POD at which a sample is taken. The  
8 SWPPP maps shall be updated to include the assigned numeric identifier for each pad  
9 and POD in order to identify the location of samples taken at the Facility.  
10

11           6.     **Amendment of Storm Water Pollution Prevention Plan.** Within thirty  
12 (30) days of the Effective Date of this Consent Decree, PCEC shall amend the  
13 Facility's SWPPP as follows to incorporate all changes, improvements, sample log  
14 forms, and BMPs set forth in or resulting from this Consent Decree.  
15

16           a.     PCEC shall ensure that all maps, tables, and text comply with the  
17 requirements of the Permit or other applicable regulatory standard.  
18

19           b.     PCEC shall revise, as necessary, the SWPPP to describe all  
20 structural and non-structural BMPs (e.g., check dams, water bars, rip rap, hay bales,  
21 etc.), provide details of the measures to be installed including the locations of all  
22 BMPs, discuss how the BMPs will be maintained, and discuss why such BMPs should  
23 be effective in addressing the quality of storm water discharges from the Facility.  
24

25           c.     PCEC shall ensure that the SWPPP includes procedures to track  
26 berm maintenance and includes specifics about training Facility staff on how to  
27 maintain and repair berms.  
28

1 d. A copy of the amended SWPPP shall be provided to EDC within  
2 thirty (30) days of completion and submittal to SMARTS.

3 7. **Reports.** During the term of this Consent Decree, PCEC shall send a  
4 courtesy email to EDC on or immediately following the date that PCEC uploads any  
5 documents to SMARTS, notifying EDC that such filing has been made.  
6

7 **II. MITIGATION, FEES, AND COSTS**

8 8. **Mitigation Payment.** In recognition of the good faith efforts by PCEC  
9 to comply with all aspects of the Permit and the Clean Water Act at the Facility, and  
10 in lieu of payment by PCEC of any civil penalties under the Act, which may have  
11 been assessed in this action if it had been adjudicated adverse to PCEC, the Parties  
12 agree that PCEC will pay the sum of one hundred fifteen thousand dollars  
13 (\$115,000.00) to the Rose Foundation for Communities and the Environment ("Rose  
14 Foundation") for the sole purpose of providing grants for watershed restoration  
15 projects in the San Antonio Creek, Orcutt Creek, and/or Santa Maria River  
16 watersheds. Payment shall be provided to the Rose Foundation as follows: Rose  
17 Foundation, 201 4th Street, Suite 102, Oakland, CA 94607, Attn: Tim Little. Payment

19 Effective Date. PCEC shall copy EDC with any correspondence and a copy of the  
20 check sent to the Rose Foundation. The Rose Foundation shall provide notice to the  
21 Settling Parties within thirty (30) days of when the funds are dispersed by the Rose  
22 Foundation, setting forth the recipient and purpose of the funds.  
23  
24  
25

26 9. **Reimbursement of Fees and Costs.** PCEC shall reimburse EDC in the  
27 amount of one hundred eighty thousand dollars (\$180,000.00) to help defray EDC's  
28

1 reasonable investigation, expert, and attorneys' fees and costs, and all other  
2 reasonable costs incurred as a result of investigating the activities at the Facility  
3 related to this Consent Decree, bringing these matters to PCEC's attention, and  
4 negotiating a resolution of this action in the public interest. PCEC shall tender said  
5 payment, payable to "Environmental Defense Center," within thirty (30) days of the  
6 Effective Date.  
7

8       **10. Compliance Monitoring Funds.** PCEC shall reimburse EDC for the  
9 costs of monitoring the terms of this Consent Decree in the amount of five thousand  
10 dollars (\$5,000). Payment shall be made within thirty (30) days after the entry of this  
11 Consent Decree.  
12

13       **11. Dispute Resolution.** If a dispute between the Parties under this Consent  
14 Decree arises, or either Party believes that a breach of this Consent Decree has  
15 occurred, the Parties shall schedule a meet and confer within ten (10) business days of  
16 receiving written notification from the other Party of a request for a meeting to  
17 determine whether a violation of this Consent Decree has occurred and to develop a  
18 mutually agreed upon plan, including implementation dates, to resolve the dispute. In  
19 the event that such disputes cannot be resolved through this meet and confer process,  
20 the Parties agree to request a settlement meeting before the Magistrate Judge assigned  
21 to this action. The Parties agree to file any waivers necessary for the Magistrate Judge  
22 to preside over any settlement conference pursuant to this Paragraph. In the event that  
23 the Parties cannot resolve the dispute by the conclusion of the settlement meeting with  
24 the Magistrate Judge, the Parties agree to submit the dispute via motion to the District  
25 Court. In resolving any dispute arising from this Consent Decree, the Court shall have  
26  
27  
28

1 discretion to award attorneys' fees and costs to either party. The relevant provisions  
2 of the then-applicable Clean Water Act and Rule 11 of the Federal Rules of Civil  
3 Procedure shall govern the allocation of fees and costs in connection with the  
4 resolution of any disputes before the District Court. The District Court's award of any  
5 relief in a dispute brought pursuant to this paragraph shall be limited to compliance  
6 orders and awards of attorneys' fees and costs, subject to proof.

9 **CONSENT DECREE**  
10

11 12. **Jurisdiction.** For the purposes of this Consent Decree, the Parties  
12 stipulate that the United States District Court of California, Central District of  
13 California, has jurisdiction over the Parties and subject matter of this Consent Decree.  
14 The Parties stipulate that venue is appropriate in the Central District of California and  
15 that PCEC will not raise in the future as part of enforcement of this Consent Decree  
16 whether EDC has standing to bring the Complaint or any subsequent action or motion  
17 pursuant to the Dispute Resolution procedures herein. The Parties further stipulate  
18 and respectfully request that the Court retain jurisdiction to oversee compliance with  
19 the terms of this Consent Decree, subject to the dispute resolution procedures  
20 specified in Paragraph 11 above. *See Kokkonen v. Guardian Life Ins. Co. of America,*  
21 511 U.S. 375, 378 (1994).  
22  
23

24 **IV. COMMITMENTS OF EDC**

25 13. **Submission of Consent Decree to Federal Agencies.** Within three (3)  
26 business days of receiving all of the Parties' signatures to this Consent Decree, EDC  
27 shall submit this Consent Decree to the U.S. Department of Justice ("DOJ") and EPA  
28

1 for agency review consistent with 40 C.F.R. §135.5. The agency review period  
2 expires forty-five (45) calendar days after receipt by the DOJ, evidenced by  
3 correspondence from DOJ establishing the review period. In the event DOJ  
4 comments negatively on the provisions of this Consent Decree, the Parties agree to  
5 meet and confer to attempt to resolve the issues raised by DOJ.  
6

7 14. If for any reason the DOJ or the District Court should decline to approve  
8 this Consent Decree in the form presented, the Parties shall use their best efforts to  
9 work together to modify the Consent Decree within thirty (30) days so that it is  
10 acceptable to the DOJ or the District Court. If the Parties are unable to modify this  
11 Consent Decree in a mutually acceptable manner that is also acceptable to the District  
12 Court, this Consent Decree shall immediately be null and void as well as inadmissible  
13 as a settlement communication under Federal Rule of Evidence 408 and California  
14 Evidence Code section 1152.  
15

16  
17 **V. WAIVER, RELEASES AND COVENANTS NOT TO SUE**

18 15. In consideration of the payments that are to be made by PCEC above,  
19 and except as otherwise provided by this Consent Decree, EDC hereby covenants not  
20 to sue or to take administrative action against PCEC for any allegations and claims  
21 that were or could have been set forth in the 60-Day Notice Letter and Complaint for  
22 violations of the Clean Water Act, 33 U.S.C. §§ 1251-1387, at the Facility, and all  
23 other claims known and unknown existing as of the date of entry of this Consent  
24 Decree that could be asserted for violations of the Clean Water Act occurring up to  
25 and including the Termination Date of this Consent Decree.  
26

27 16. The Parties forever and fully release each other and their respective  
28

1 parents, affiliates, subsidiaries, divisions, insurers, successors, assigns, and current  
2 and former employees, attorneys, officers, directors and agents from any and all  
3 claims and demands of any kind, nature, or description whatsoever, and from any and  
4 all liabilities, damages, injuries, actions or causes of action, either at law or in equity,  
5 which the Parties have against each other arising from EDC's allegations and claims  
6 as were or could have been set forth in the 60-Day Notice Letter and Complaint for  
7 violations of the Clean Water Act at the Facility, and all other claims known and  
8 unknown existing as of the date of entry of this Consent Decree that could be asserted  
9 for violations of the Clean Water Act occurring up to and including the Termination  
10 Date of this Consent Decree.  
11  
12

13 17. The Parties acknowledge that they are familiar with section 1542 of the  
14 California Civil Code, which provides:

15 A general release does not extend to claims that the creditor or releasing  
16 party does not know or suspect to exist in his or her favor at the time of  
17 executing the release, and that if known by him or her would have  
18 materially affected his or her settlement with the debtor or released party.

19 The Parties hereby waive and relinquish any rights or benefits they may have under  
20 California Civil Code section 1542 with respect to any other claims against each other  
21 arising from, or related to, the allegations and claims as set forth in the 60-Day Notice  
22 Letter and Complaint for violations of the Clean Water Act at the Facility, and all  
23 other claims known and unknown existing as of the date of entry of this Consent  
24 Decree that could be asserted for violations of the Clean Water Act occurring up to  
25 and including the Termination Date of this Consent Decree.  
26

27 18. **No Admission.** This Consent Decree is a settlement of disputed facts  
28

1 and law. It is not an admission or adjudication regarding any allegations by EDC in  
2 this case or of any fact or conclusion of law related to those allegations. It is not  
3 evidence of any wrongdoing or misconduct on the part of PCEC. However, this  
4 Paragraph shall not diminish or otherwise affect the obligations, responsibilities, and  
5 duties of the Parties under this Consent Decree.  
6

18 Consent Decree that cannot be cured by due diligence. Delay in performance of a task  
19 required by this Consent Decree caused by a force majeure event is not a failure to  
20 comply with the terms of this Consent Decree, provided that PCEC notifies EDC of  
21 the event; the steps that PCEC will take to perform the task; the projected time that
